PLEASE...

- **NO REAL FUR!** We are an animal advocacy group and we won't sell it, use it or re-donate it...we **THROW IT AWAY!**
- **No Computer Monitors**, working or not, it costs us money to dispose of these and they don't sell.
- **No older non-cable ready televisions**, these do not sell and cost us to dispose of.
- **No items in need of repair**, we don't have the resources or personnel for repair.
- **No Excessively worn, Ripped, Torn, Wet or Dirty clothes**, we don't have the facilities for repair or laundering.
- **No Children's car seats, cribs, playpens, or any item a child goes in**, they are an Insurance liability issue due to recalls and we cannot afford the coverage to sell them.
- **No Garbage**, we have to pay to have it removed, and this wastes money we can use to save more animals.
- **No wire hangers**, we do not use these and have to throw them away.
- **No mini-blinds or used curtain rods**, these are hazardous to the kitties and do not sell.
- **No Tire Chains**, these are too vehicle specific and don't sell.

Thank you for caring about animals enough to donate to us. We would love to be able to take everything that is offered to us, but we have very little space and must protect the resident animals, and our volunteers from hazards and keep our overhead costs as low as possible so that we can save as many animals as we can. Thank you for understanding and for supporting S.A.R.A.'s.

For questions about donations, please call 607-8892. **Thank You!**
